

Capt. Stone walks back into the office and close the door.

DANIELLE

What was that all about Cap? I thought we agreed to let me handle this?

CAPT. STONE

You are not handling it. In fact I think you are getting way to close to this case.

DANIELLE

What do you mean?

CAPT. STONE

Your whole sting is now compromised. You have no merit to stand on thanks to that little girl.

DANIELLE

I don't agree. This is a big operation and I'm close to bringing it down.

CAPT. STONE

I'm pulling you from the case.

DANIELLE

What? Why?

CAPT. STONE

To much is exposed. I need fresh new eye on this now.

DANIELLE

But Cap...

CAPT. STONE

No Buts! You are off this case. I'll assign you another one after your leave.

DANIELLE

Leave?

CAPT. STONE

Yes, I'm sitting you down for a little while.

CONTINUED:

DANIELLE

Please don't do this.... I'm so close.

CAPT. STONE

Please hand over your badge and gun.  
You will get it back when you return.

Danielle do as told.

The Captain takes it and walks out.

Danielle stands there at a loss.
