

Time has passed. Carlos appears to be a little intoxicated. Sophia keeping her composure.

SOPHIA

So what do you think was that girls
problem that she killed herself?

Carlos starts getting a little handsy.

Sophia is slightly moving his hand away.

CARLOS

We are not here to talk about that.

SOPHIA

It's just sad. Who told you about
that?

CARLOS

A buddy of mine.

Carlos stands Sophia up and brings her closer to him.

Sophia starts kissing on his ear. This is getting Carlos nice
and hot.

SOPHIA

A buddy? What's his name? Maybe he
want to join us.

CARLOS

Who... Cameron? Nah he's doing his own
thing.

SOPHIA

Are you sure? I could give you a two
for one deal.

CARLOS

He is focused on his own girls. He has
plenty to deal with.

Sophia pushes Carlos down on the couch and continues to kiss
on him while straddling him.

SOPHIA

Girls? What kind of girls? Are they hot?

CARLOS

Not as hot as you. He has women everywhere. You are all mine tonight.

SOPHIA

Oh yeah?

Sophia sticks her hand down his pants.

CARLOS

Oh shit... Yes... right there.

SOPHIA

You sure you don't want to call him over?

CARLOS

I'm very sure.

She continues making out with him.
