

Sophia is talking to Mia about her findings. She is there to recruit Mia to help her with this investigation.

SOPHIA

Listen, I am getting close to finding out more information, however I'm going to need your help.

MIA

I've given you all of the information I have.

SOPHIA

No, I need you to physically help me.

MIA

What? How?

SOPHIA

I need to get close to Cameron and his organization.

The Peoples Network

MIA

Ok, and how do you suppose we do that? The website is compromised now.

SOPHIA

There is no one you can think of that may know Cameron that can get us in?

Mia starts thinking.

MIA

Well, this one time Star and I had this freak off with Frank.

SOPHIA

Frank?

MIA

Yea, he's a drug dealer. I remember one time we was all together he was bragging about some shipment that Cameron got cleared from inspection.

CONTINUED:

SOPHIA

For them to be a crime organization
they sure let a lot of stuff slip out.

MIA

That's because they feel untouchable.

Sophia thinks for a moment.

SOPHIA

Do you have his contact?

MIA

I think so.

SOPHIA

Ok, let him know you have a new girl
thats looking for work.

MIA

Ok, then what.

SOPHIA

Can you make it happen?

MIA

Yea.

Sophia goes to contemplating again

SOPHIA

Be my right hand lady with taking down
this operation.

MIA

I don't know anything about that.

SOPHIA

I can teach you.

MIA

I don't know... That's dangerous. I
don't know how to fight for real.

SOPHIA

I'm a trained assassin. I can give you
the same training I head. Tactical and
self defense training. You are
athletic enough to get it.

(CONTINUED)

CONTINUED:

Mia is taken aback by this. She is not sure what she should do.

MIA

Soph, I want to help. I really do...but

SOPHIA

(Frustrated)

But what!? You called me here to "help" Now I need your help! I really need you on this. You say you loved her right?

MIA

You know I do

SOPHIA

Well prove it! Be ready in the morning by 7am. Wear something comfortable.

MIA

Wait... 7am?

The Peoples Network

SOPHIA

(Gathering her stuff to leave)

7am Mia!

Sophia leaves the house.

MIA

(Sit down defeated)

Shit.
